To Shareholders and for information purposes only, to holders of options and warrants

Dear Shareholder,

2009 Annual General Meeting

I am pleased to be writing to you with details of the Annual General Meeting ("**AGM**") of ReGen Therapeutics Plc (the "**Company**") which we are holding at the offices of Orrick, Herrington & Sutcliffe, Tower 42, Level 35, 25 Old Broad Street, London, EC2N 1HQ at 11 am on 21 July 2009. The formal Notice of AGM is set out on pages 4 to 6 of this document.

If you would like to vote on the resolutions but cannot come to the AGM, please fill in the proxy form sent to you with this document and return it to our registrars, Capita Registrars, as soon as possible. They must receive it by no later than 11 am on 19 July 2009.

There are a number of items of business to which I would like to draw your attention. Full details of these and all other resolutions to be proposed are set out in the Explanatory Notes to the resolutions on pages 7 and 8 of this document.

Re-election of Timothy Shilton and Martin Small

Timothy Shilton and Martin Small will be submitting themselves for re-election by rotation in accordance with the Company's Articles of Association.

Biographical details of each of these Directors are contained on pages 14 to 15 of the Company's annual report and accounts for the year ended 31 December 2008.

Grant of authority to allot shares and disapply pre-emption rights

We announced on 12 June 2009 that we had raised £367,185 this year through private placings in a very difficult but improving market. In view of the Company's reduced working capital requirements the sums raised go a long way to satisfying the Company's need for capital until we reach sustainable profitability.

The existing authorities to allot shares and disapply statutory pre-emption rights which were granted at the Company's last Extraordinary General Meeting on 26 March 2009 will expire on the conclusion of the Company's Annual General Meeting. As stated in my last letter to Shareholders on 2 March 2006, the Directors would like to be in a position to consider promptly and effect appropriate funding proposals as and when they occur. Accordingly, the Directors are now seeking to renew these general authorities.

The Directors are requesting authority to issue up to 10,000,000 new ordinary shares of 0.01p to facilitate future fundraisings and/or acquisitions of complementary businesses, which represents approximately 37% of the current issued share capital of the Company. In addition, the Directors are seeking renewal of their general authorities to issue up to 1,352,000 new ordinary shares of 0.01p each which represents approximately 5% of the current issued share capital of the Company.

Accordingly, Shareholder resolutions are being proposed at the AGM for the purpose of (i) granting the Directors authority to allot ordinary shares in the amounts and for the purposes discussed above, and (ii) disapplying pre-emption rights in connection with such allotments.

Amendments to the Articles of Association

We are also asking Shareholders to approve a number of amendments to our existing Articles of Association, primarily to reflect the provisions of the Companies Act 2006. An explanation of the main changes between the proposed and the existing Articles of Association is set out on pages 9 to 11 of this document.

Electronic Communications

As mentioned above, the Company is seeking to amend its current Articles of Association to permit the Company to send or supply documents and information to Shareholders in electronic form and via a website. However, whilst it is appropriate to make these amendments at this time, the Company does not currently intend to communicate electronically with its Shareholders as the costs of doing so, at least in the short term, will be higher than the current costs of providing paper communications. The Company will keep this under review on an on-going basis.

Entitlement to Attend and Vote

To have the right to attend and vote at the meeting (and also for the purposes of calculating how many votes a person may cast) a person must have their name entered on the register of members no later than 6 pm on 20 July 2009. Changes to entries on the register after this time will be disregarded in determining the rights of any person to attend or vote at the meeting.

Explanatory notes on all the business to be considered at this year's AGM appear on pages 7 and 8 of this document.

Documents Available for Inspection

A copy of the proposed new Articles of Association of the Company and a copy of the existing Articles of Association marked to show the changes being proposed in resolution 11 will be available for inspection during business hours on any weekday (public holidays excepted) at the registered office of the Company from the date of this document until the conclusion of the AGM and at offices of Orrick, Herrington & Sutcliffe, Tower 42, Level 35, 25 Old Broad Street, London, EC2N 1HQ from 15 minutes before the AGM until it ends.

Important Note

Please note that the Annual General Meeting is to be held on the 35th floor of Tower 42. Security at Tower 42 is strict and it can be a lengthy process to clear. If you are planning to attend in person, you are therefore advised to arrive in plenty of time, to ensure that you clear security and arrive on the 35th floor by 11 am.

Recommendation

The Directors consider that all the resolutions set out in the Notice of AGM are in the best interests of the Company and its Shareholders as a whole and recommend that you vote in favour of each of these resolutions, as each of the Directors intends to do in respect of his own beneficial holding of shares in the Company which in aggregate amount to 1,356,059 ordinary shares of 0.01p each, representing 5.02% of the Company's issued ordinary share capital as at the date of this document.

Yours faithfully,

Percy Lomax
Executive Chairman

Notes:

1. Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, only those members registered in the register of members of the Company as at 6 pm on 20 July 2009 shall be entitled to attend and vote at this Annual General Meeting in respect of the number of shares registered in their name at that time. Changes to entries on the relevant register of securities after such time shall be disregarded in determining the rights of any person to attend or vote at this Annual General Meeting.
2. Any member who is entitled to attend and vote at this Annual General Meeting is entitled to appoint one or more proxies to exercise all or any of his/her rights to attend, speak and vote at the meeting. To appoint more than one proxy, additional Forms of Proxy may be obtained by contacting the Registrars or you may photocopy the form. If you appoint more than one proxy, each proxy must be appointed to exercise the rights attached to a different share or shares held by you. Please indicate in the box next to the proxy holder's name the number of shares in relation to which they are authorised to act as your proxy. Please also indicate by ticking the box provided if the proxy instruction is one of multiple instructions being given. A proxy need not be a member of the Company. Completion and return of the Form of Proxy will not preclude a member from attending and voting at this Annual General Meeting. If you have appointed a proxy and attend the meeting in person, your proxy appointment will automatically be terminated.
3. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).
4. If you submit more than one valid proxy appointment in respect of the same shares, the appointment received last before the latest time for the receipt of proxies will take precedence.
5. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with CRESTCo's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the issuer's agent (ID RA10) by the latest time(s) for receipt of proxy appointments specified in the notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. CREST members and, where applicable, their CREST sponsors or voting service providers should note that CRESTCo does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
6. A Form of Proxy is enclosed which to be effective must be completed, signed and received by the Company's registrars, Capita Registrars Proxies, PO Box 25, Beckenham, Kent BR3 4BR, no later than 48 hours before the time of the Annual General Meeting. You can only appoint a proxy using the procedures set out in these notes and in the notes to the enclosed Form of Proxy.
7. In order to facilitate voting by corporate representatives at the Annual General Meeting, arrangements will be put in place at the meeting so that (i) if a corporate member appointed the Chairman of the meeting as its corporate representative with instructions to vote on a poll in accordance with the directions of all of the other corporate representatives for that member at the meeting, then on a poll those corporate representatives will give voting directions to the Chairman and the Chairman will vote (or withhold a vote) as corporate representative in accordance with those directions; and (ii) if more than one corporate representative for the same corporate member attends the meeting but the corporate member has not appointed the Chairman of the meeting as its corporate representative, a designated corporate representative will be nominated, from those corporate representatives who attend, who will vote on a poll and the other corporate representatives will give voting directions to that designated corporate representative. Corporate members are referred to the guidance issued by the Institute of Chartered Secretaries and Administrators on proxies and corporate representatives – www.icsa.org.uk – for further details of this procedure. The guidance includes a sample form of representation letter if the Chairman is being appointed as described in (i) above.
8. In accordance with Section 325 of the Companies Act 2006, the right to appoint proxies does not apply to persons nominated to receive information rights under Section 146 of the Companies Act 2006. Persons nominated to receive information rights under Section 146 of the Companies Act 2006 who have been sent a copy of this notice of meeting are hereby informed, in accordance with Section 149(2) of the Companies Act 2006, that they may have a right under an agreement with the registered member by whom they were nominated to be appointed, or to have someone else appointed, as a proxy for this meeting. If they have no such right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the member as to the exercise of voting rights. Nominated persons should contact the registered member by whom they were nominated in respect of these arrangements.

EXPLANATORY NOTES

The notes on the following pages give an explanation of the proposed resolutions.

Resolutions 1 to 8 are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 9 to 11 are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

ANNUAL REPORT AND ACCOUNTS (RESOLUTION 1)

The Directors are required to lay before the Company at this AGM the accounts of the Company for the financial year ended 31 December 2008, the report of the Directors and the report of the Company's Auditors on those accounts.

RE-ELECTION OF DIRECTORS (RESOLUTIONS 2 AND 3)

Timothy Shilton and Martin Small will be submitting themselves for re-election by rotation in accordance with the Company's current articles of association (the "**Current Articles**").

Biographical details of each of these Directors are contained on pages 14 to 15 of the Company's annual report and accounts for the year ended 31 December 2008.

APPOINTMENT OF AUDITORS (RESOLUTION 4)

The Company is required to appoint auditors at each general meeting at which accounts are laid, to hold office until the next such meeting. Resolution 4 proposes the appointment of Mazars LLP as Auditors of the Company.

REMUNERATION OF AUDITORS (RESOLUTION 5)

Resolution 5 authorises the Directors to determine the Auditors' remuneration for the ensuing year.

AUTHORITY TO ALLOT ORDINARY SHARES (RESOLUTIONS 6 AND 7)

Under section 80 of the Companies Act 1985, Directors require Shareholders' authority for allotment of shares. Shareholders last granted such general authority to the Directors at the Extraordinary General Meeting of the Company held in March 2009. Such authority will expire at the end of this AGM.

In addition, Resolution 6 will be proposed as an ordinary resolution, to authorise the Directors to generally allot up to 1,352,000 new ordinary shares of 0.01p each which represents approximately 5% of the current issued share capital of the Company.

Resolution 7 will be proposed as an ordinary resolution, to authorise the Directors to allot up to 10,000,000 new ordinary shares of 0.01p specifically pursuant to any fundraisings by the Company and/or the acquisition by the Company and/or its subsidiaries of the shares, business and/or assets of a company and/or other legal entity, which represents approximately 37% of the current issued share capital of the Company.

These authorities will expire on the earlier of 15 months after the passing of the resolutions or on the conclusion of the AGM of the Company to be held in 2010.

REMOVAL OF AUTHORISED SHARE CAPITAL (RESOLUTION 8)

Under the Companies Act 2006, the requirement for a company to have an authorised share capital is abolished from 1 October 2009. However, under the Companies Act 2006 (Commencement No. 8, Transitional Provisions and Savings) Order 2008, on this date any existing provisions in the Company's memorandum of association are treated as being part of the Company's articles. In order to allow the Company to take advantage of the removal of the requirement for an authorised share capital, resolution 8 asks Shareholders to consent to the removal of this provision as required by the Companies Act 2006 (Commencement No. 8, Transitional Provisions and Savings) Order 2008. The allotment of shares by the Board will remain subject to the authorities granted under resolution(s) 6 and 7 (and/or any subsequent authority).

AUTHORITY TO ALLOT ORDINARY SHARES FOR CASH (RESOLUTIONS 9 AND 10)

Under section 89 of the Companies Act 1985, if the Directors wish to allot any of the unissued ordinary shares for cash they must in the first instance offer them to existing ordinary Shareholders in proportion to their ordinary shareholdings. There may be occasions, however, when the Directors will need the flexibility to finance business opportunities by the issue of ordinary shares without a pre-emptive offer to existing ordinary Shareholders. Shareholders last granted authorities to the Directors to disapply pre-emptive rights at the Extraordinary General Meeting of the Company held in March 2009. Such authorities will expire at the end of this AGM and resolutions 9 and 10 seek to renew them.

Subject to the passing of resolution 6, resolution 9 seeks to generally authorise the Directors to allot up to 1,352,000 new ordinary shares of 0.01p on a non pre-emptive basis. Such authority would represent approximately 5% of the current issued share capital of the Company.

In addition, subject to the passing of resolution 7, resolution 10 seeks to authorise the Directors to allot up to 10,000,000 new ordinary shares of 0.01p on a non pre-emptive basis specifically pursuant to any fundraisings by the Company and/or the acquisition by the Company and/or its subsidiaries of the shares, business and/or assets of a company and/or other legal entity. Such authority would represent approximately 37% of the current issued share capital of the Company.

These authorities will expire on the earlier of 15 months after the passing of the resolutions or on the conclusion of the AGM of the Company to be held in 2010.

AMENDMENTS TO THE ARTICLES OF ASSOCIATION OF THE COMPANY (RESOLUTION 11)

It is proposed in resolution 11 to adopt new Articles of Association (the "**New Articles**") in order to update the Company's Current Articles primarily to take account of changes in company law brought about by the Companies Act 2006. Copies of the Current Articles and proposed New Articles (and a comparison document showing all the proposed changes to the Articles) are available for inspection during normal business hours at the registered office of the Company until the date of this AGM or upon request from the Company Secretary. Copies will be available at least 15 minutes prior to and during the AGM.

The material differences between the Current Articles and the proposed New Articles are summarised below. Changes of a minor, conforming or purely technical nature, and also some minor changes which merely reflect changes made by the Companies Act 2006, have not been mentioned specifically.

Summary of principal changes to the Company's Articles of Association:

1. The Company's objects

The provisions regulating the operations of the Company are currently set out in the Company's Memorandum and Articles of Association. The Company's Memorandum contains, among other things, the objects clause which sets out the scope of the activities the Company is authorised to undertake. This is drafted to give a wide scope.

The Companies Act 2006 significantly reduces the constitutional significance of a company's memorandum. The Companies Act 2006 provides that a memorandum will record only the names of subscribers and the number of shares each subscriber has agreed to take in the company. Under the Companies Act 2006 the objects clause and all other provisions which are currently contained in a company's memorandum, for existing companies at 1 October 2009, will be deemed to be contained in a company's articles of association but the Company can remove these provisions by special resolution.

Further the Companies Act 2006 states that unless a company's articles provide otherwise, a company's objects are unrestricted. This abolishes the need for companies to have objects clauses. For this reason the Company is proposing to remove its objects clause together with all other provisions of its Memorandum which, by virtue of the Companies Act 2006, are to be treated as forming part of the Company's Articles of Association as of 1 October 2009. Resolution 11 (ii) confirms the removal of these provisions for the Company. As the effect of this resolution will be to remove the statement currently in the Company's Memorandum of Association regarding limited liability, the New Articles also contain an express statement regarding the limited liability of the Shareholders.

2. Articles Which Duplicate Statutory Provisions

Provisions in the Current Articles which replicate provisions contained in the Companies Act 2006 are in the main amended to bring them into line with the Companies Act 2006.

3. Change of name

Currently, a company can only change its name by special resolution. Under the Companies Act 2006 a company will be able to change its name by other means provided for by its articles of association. To take advantage of this provision, the New Articles enable the Directors to pass a resolution to change the Company's name with effect from 1 October 2009.

4. Redeemable shares

At present if a company wishes to issue redeemable shares, it must include in its articles the terms and manner of redemption. The Companies Act 2006 enables Directors to determine such matters instead provided they are so authorised by the articles. The New Articles contain such an authorisation which will take effect from 1 October 2009. The Company has no plans to issue redeemable shares but if it did so the Directors would need Shareholders' authority to issue new shares in the usual way.

5. Use of seals

The New Articles provide an alternative option for execution of documents (other than share certificates). Under the New Articles, when the seal is affixed to a document it may be signed by one authorised person in the presence of a witness, whereas previously the requirement was for signature by either a Director and the Secretary or two Directors or such other person or persons as the Directors may approve.

6. Suspension of registration of share transfers

The Current Articles permit the Directors to suspend the registration of transfers. Under the Companies Act 2006 share transfers must be registered as soon as practicable. The power in the Current Articles to suspend the registration of transfers is inconsistent with this requirement. Accordingly, this power has been removed in the New Articles.

7. Vacation of office by Directors

The Current Articles specify the circumstances in which a Director must vacate office. The New Articles update these provisions to reflect the approach taken on mental and physical incapacity in the model articles for public companies produced by the Department for Business, Enterprise and Regulatory Reform.

8. Variation of Class Rights

The Current Articles contain provisions regarding the variation of class rights. The proceedings and specific quorum requirements for a meeting convened to vary class rights are contained in the Companies Act 2006. The relevant provisions have therefore been removed in the New Articles.

9. Convening Extraordinary and Annual General Meetings

The provisions in the Current Articles dealing with the convening of general meetings and the length of notice required to convene general meetings are being removed in the New Articles because the relevant matters are provided for in the Companies Act 2006. In particular an Extraordinary General Meeting to consider a special resolution can be convened on 14 days' notice whereas previously 21 days notice was required. In addition, in line with the Companies Act 2006, references to an "Extraordinary General Meeting" of the Company will now be replaced with references to a "General Meeting".

10. Votes of Members

Under the Companies Act 2006 proxies are entitled to vote on a show of hands whereas under the Current Articles proxies are only entitled to vote on a poll. The time limits for the appointment or termination of a proxy appointment have been altered by the Companies Act 2006 so that the articles of association cannot provide that they should be received more than 48 hours before the meeting or in the case of a poll taken more than 48 hours after the meeting, more than 24 hours before the time for the taking of a poll, with weekends and bank holidays being permitted to be excluded for this purpose. Multiple proxies may be appointed provided that each proxy is appointed to exercise the rights attached to a different share held by the Shareholder. The New Articles reflect all of these new provisions.

11. Conflicts of Interest

The Companies Act 2006 sets out Directors' general duties which largely codify the existing law but with some changes. Under the Companies Act 2006 a Director must avoid a situation where he has, or can have, a direct or indirect interest that conflicts, or possibly may conflict with the Company's interests. The requirement is very broad and could apply, for example, if a Director becomes a Director of another company or a trustee of another organisation. The Companies Act 2006 allows Directors of public companies to authorise conflicts and potential conflicts, where appropriate, where the articles of association contain a provision to this effect. The Companies Act 2006 also allows the articles of association to contain other provisions for dealing with Directors' conflicts of interest to avoid a breach of duty. The New Articles give the Directors authority to approve such situations and to include other provisions to allow conflicts of interest to be dealt with in a similar way to the current position.

There are safeguards which will apply when Directors decide whether to authorise a conflict or potential conflict. Only Directors who have no interest in the matter being considered will be able to take the relevant decision and the Directors will be able to impose limits or conditions when giving authorisation if they think this is appropriate.

12. Records to be Kept

The provision in the Current Articles requiring the Board to keep accounting records has been removed as this requirement is contained in the Companies Act 2006.

13. Distribution of Assets Otherwise than in Cash

The Current Articles contain provisions dealing with the distribution of assets in kind in the event of the Company going into liquidation. These provisions have been removed in the New Articles on the grounds that a provision about the powers of liquidators is a matter for insolvency law rather than the Articles and that the Insolvency Act 1986 confers powers on the liquidator which would enable it to do what is envisaged by the Current Articles.

14. Provision for Employees on Cessation of Business

The Companies Act 2006 provides that the powers of the Directors to make provision for a person employed or formerly employed by the Company in connection with the cessation or transfer to any person of the whole or part of the undertaking of the Company, may be exercised by the Directors or by the Company in a general meeting. However, if the power is to be exercised by the Directors, the Articles of Association must include a provision to this effect. The New Articles provide that the Directors may exercise this power.

15. Directors' indemnities and Loans to Fund Expenditure

The Companies Act 2006 has in some areas widened the scope of the powers of a company to indemnify Directors and to fund expenditure incurred in connection with certain actions against Directors. In particular, a Company that is a trustee of an occupational pension scheme can now indemnify a Director against liability incurred in connection with the Company's activities as trustee of the scheme. In addition, the existing exemption allowing a Company to provide money for the purpose of funding a Director's defence in court proceedings now expressly covers regulatory proceedings and applies to associated companies.

16. Ordinary and Special Business

As the Listing Rules of the UK Listing Authority no longer refer to a distinction between ordinary business and special business we do not consider it to be appropriate that the Current Articles continue to make such a distinction in addition to the distinction between ordinary and special resolutions. The provision in the Current Articles containing a list of resolutions which are deemed to be ordinary business at an Annual General Meeting has therefore been removed in the New Articles.

17. Electronic Communications

Provisions of the Companies Act 2006 which came into force in January 2007 enable companies to communicate with members by electronic and/or website communications. The New Articles continue to allow communications to members in electronic form and, in addition, they also permit the Company to take advantage of the new provisions relating to website communications. The Company will notify the member (either in writing, or by other permitted means) when a relevant document or information is placed on the website and a member can always request a hard copy version of the document or information.

18. General

Generally the opportunity has been taken to bring clearer language into the New Articles and in some areas to conform the language of the New Articles with that used in the model articles for public companies produced by the Department for Business, Enterprise and Regulatory Reform.
